SECRETARY OF ENVIRONMENT AND NATURAL RECOURSES

"2010, year of the country. 200 years since the beginning of the independence and 100 years from the beginning of the revolution"

FEDERAL BRANCH OF BAJA CALIFORNIA SUR

Official letter number SEMARNAT-BCS .02.01.IA.002/11  
03DTM-04209/1012

Mr. Daniel Kimple  
Legal Representative  
Ocean Development S.A. de C.V.  
San Jose de Comdondu number 1120,  
Fraccionamiento Bella Vista  
La Paz, B.C.S.

Attention: Attorney-at-law Raquel Veronica Romero Camacho  
La Paz, B.C.S. January 10th, 2011

In response to your writ with no number, received by this Federal Delegation on December 16 2010, through which the authorization of matter of Environmental Impact of the Project "Desarrollo Residencial Rústico Campestre Las Tunas I" registered in the official letter number SEMARNAT-BCS.02.01.887/05 dated December 8<sup>th</sup>, 2005, it is requested to clarify if such authorization includes constructions of houses, I hereby inform you affirmatively. Construction of houses is contemplated conditioned to authorization by the Office of Urban Planning and Ecology of the State Government of Baja California Sur regarding characteristics of constructions according to the specifications provided in official letter number 639 dated September 2nd, 2005, assuring these houses are located on the most stable part of the cord of littoral dunes. Likewise, it is indicated that characteristics of the constructions must no produce or increase erosion.
